BORDER BANDITS ASSASSINATE U. S. POSTMASTER; AGED FATHER OF OAKLANDER SLAIN IN MEXICO

AUTO TURNS TURTLE, TWO ARE INJURED

Several Machines Figure in Accidents, in Which Women and Men Are More or Less Painfully Injured in City

Switch Engine Smashes Into Auto Truck, Injuring Its Driver; Passengers on Street Car Jarred As Auto Strikes

Pinned under a heavy touring car after it had skidded and overturned, M. J. Doyle and wife, who were returning from Oakland to their home in Antioch last night, were both injured on the Contra Costa side of the tunnel while driving on the Tunnel road. The car swerved to one side, turned completely around on the wet pavement and then overturned. Doyle was driving.

Doyle and his wife were extricated by passing motorists with great difficulty.

Mrs. Doyle was found to be severely injured, having sustained several fractures of bones and possible internal injuries. Her husband escaped with minor cuts and bruises. They were rushed to Fabiola Hospital by a passing car.

Mrs. Opperman of San Lorenzo narrowly escaped injury last night when she stopped her car at the entrance of Mosswood Park in order to wipe the rain from the windshield. While wiping the glass, the car driven by a girl crashed into Mrs. Opperman's machine from behind. The car responsible for the accident was not damaged and disappeared without stopping to ascertain whether or not Mrs. Opperman was hurt.

Mrs. Opperman jumped to one side in time to avoid being crushed under the wheels of her machine as it jumped ahead. Her car was damaged.

WOMAN HURLED FROM AUTO, BADLY HURT

In an automobile collision last night between a car driven by J. P. Harris, of San Francisco, California, and another car driven by an unidentified man, Mrs. Harris, who was riding with her husband, was thrown out of the car and painfully injured. She suffered severe lacerations about the head. The accident happened at East Fourteenth street and Eighteenth avenue.

According to the report given by Harris to the police, he swerved to one side in order to avoid hitting the other car, which had sideswiped his machine. The driver of the other machine stopped and proffered assistance, but in the confusion Harris neglected to ask him his name or to obtain the number of the car.

WOMAN IN STREET CAR THROWN FROM SEAT

A car driven by W. A. Hoskins of Sacramento collided with a street car last night at Seventh and Alameda. The accident was due to the machine skidding on the slippery pavement. Several windows were broken in the street car, and a passenger, Mrs. George Schmitt, was thrown from her seat to the floor of the car, but was not seriously injured. The side of the automobile was caved in. Hoskins escaped unharmed.

BOY DRIVEN AUTO RITS ANOTHER CAR

His automobile, skidding on the wet pavement, Kenneth McDonald, 16-year-old son of Mrs. J. E. McDonald, 614 Oxford street, ran into a machine driven by R. R. Soper, 1610 Sixth street, at University and Shattuck avenues, Berkeley, last night. McDonald's auto turned completely around before he was able to stop it. His car damaging the left rear fender of Soper's machine.

A. E. Becker, 1037 Cedar street, ran into a lampost at Cedar street and San Pablo last night, just before 10 o'clock, breaking the post in two.

Slight damage was done last night in a collision between an automobile driven by J. M. Heafy, 2220 McKinley avenue, and a buggy driven by H. E. Engle, 1708 Grove street, the accident occurring at Shattuck avenue and Bancroft way.

SWITCH ENGINE

F. J. Souter, an employee of the Hunter Lumber company, was injured this morning when the truck which he was driving was wrecked when a Western Pacific switch engine ran into the truck as it was crossing the railroad tracks in front of the Hunter Lumber company's yard shortly before noon today.

The truck was loaded with lumber, and according to Souter, he was paying more attention to the rough places on the track over which he was driving than he was to the approaching engine, which he thought was on another track.

The injured man was treated at the emergency hospital for minor bruises and cuts.

College Girl Is Jailed For Three Days For Breaking Speed Law

In startling contrast to the leniency of Oakland's Police Courts Judge Robert Edgar of Berkeley today sentenced Miss Lucile Krause, University of California student to three days in the county jail for driving her automobile along College avenue at the rate of thirty-five miles an hour.

Dr. P. A. Sparks, a Berkeley dentist, accompanied Miss Krause to the judge's chambers where he made a special plea on her behalf.

Both Miss Krause and Lundborg were arrested earlier in the week by Patrolman Henry Villa, speed officer of the Berkeley police department. Both made no effort to deny the officer's charge against them this morning. Miss Krause is the first woman to receive a jail sentence for speeding from Judge Edgar.

Miss Krause resides at the Berkeley Inn and Lundborg at 643 Wallsworth avenue, Oakland.

ALBANY SPEEDERS TO GET FIVE DAYS EACH

While speeders in the Oakland police court are paying fines ranging all the way from \$2 to \$5, speeders in Albany are daily facing more severe sentences.

Police Judge John H. Paul this morning meted out sentences of 24 hours in prison to three persons convicted of exceeding the speed limit. The men were given ten days in which to prepare to go to trial.

Judge Edgar also meted out to Cliff Lundborg, former University of California student and now a stock and bond salesman of Oakland, an 18-day sentence in the county jail for speeding on College avenue.

To further emphasize the warning that Berkeley intends to deal summarily with violators of the traffic laws, Judge Edgar revoked the operator's license of Miss Krause and Lundborg for thirty days.

"You are a bad girl," he told the girl. "You would have found yourself in a far worse predicament if you had run down and killed someone."

Unconcerned by the risk, she had run and by the danger in which she had placed her pedestrian, she had a congenital thoroughfare. Miss Krause smiled when her sentence was pronounced.

"When do I begin serving time?" she asked Patrolman Frank Waterbury, bailiff of the court.

"Not right away," answered the officer.

PREPARES TO BUSY THREE DAYS IN COUNTY JAIL

"But, please, mayn't I go home and get some clothes first?" she asked. She was granted a half hour's time and returned well dressed with a trunk full of college books.

Miss Krause is registered at the University from Fullerton, entering college last semester. Lund-

CARTER IS SLATED TO BE PHARMACY BOARD ATTORNEY

A. E. Carter, former president of the Oakland Rotary Club, is slated for the appointment as attorney for the State Board of Pharmacy, according to word that reached Oakland today. The position is one that is made vacant with the death of John W. Sietzen, who was also attorney for the State Industrial Commission.

The appointment is expected to be made within a few days. Carter, during the war, devoted his energies to War Time Community work in the various camps and was away from the city for most of the time. His home is at 3002 Twenty-third avenue and his offices are in the Security Bank building.

Saw Legion Attack, I. W. W. Witness Says

BY ASSOCIATED PRESS

MONTEBELLO, Wash., Feb. 28.—Mrs. May Sherman of Tacoma, formerly of Centralia, told the jury in the murder trial of ten I. W. W. that she saw uniformed men break ranks during the armistice day parade and rush the I. W. W. hall. She saw the door of the hall smashed in, testified and heard some shooting.

On cross-examination, Mrs. Sherman admitted that a Mr. Bland had talked with her relative to becoming a defense witness. She also said she knew Wesley Everest, I. W. W. organizer, who was lynched in Centralia on the night of the shooting.

"You feel that you want to help out the defense, do you? Is that your frame of mind?" asked Special Prosecutor W. H. Abel.

"Yes," replied the witness.

SHIPWRENS FEAR CAPTAIN HANSEN VICTIM OF THUGS

Fear that Captain Louis Hansen, veteran skipper and master of the schooner S. N. Castle, has met with a fatal end at the hands of bandits.

James G. Rohan, 52, former president of the Alaskan Fisherman's Association, who is in charge of the Alaskan cannery at the S. N. Castle, who this morning instigated a search for the missing man.

Hansen was last seen at the S. N. Castle company's offices four days ago.

Hansen's boat is now loaded and ready to sail for Alaska with a cargo of provisions for the cod fishing stations of the Alaska Cannery company.

The sailing of the craft has been delayed twenty-four hours, during which time an effort will be made to locate the missing captain.

He is the skipper of the S. N. Castle company's office. He had several hundred dollars on his person. It is believed that he started immediately for the boat, which at that time was in the Alameda harbor.

Hansen is well known in shipping circles, and especially among the cod fisherman. He has been sailing out of this port for more than 25 years.

POMONA GIRL STUDENT KILLED BY MUSHROOMS

POMONA, Feb. 28.—Miss Lucille Brown, freshman of Pomona college, died this morning at a local hospital as a result of a mushroom supper Tuesday night. Three other college girls partook of the supper and two of these are hovering between life and death. The third is recovering.

DEATH PACT FOR TREATY IS CLAIMED

Hitchcock Forms An Alliance With Boral to Defeat the Measure, Kellogg of Minnesota Declares in His Letter

DEMOCRATIC LEADER'S OFFER OF RESERVATION ON DOMESTIC QUESTION PROVES THE EFFORT AT REJECTION, HE STATES

By L. C. MARTIN, United Press Staff Correspondent.

WASHINGTON, Feb. 28.—Senator Kellogg, Minnesota, today charged that Senator Hitchcock, Democratic leader, had formed an alliance with Senator Boral, leader of the Republican "bitter-enders," to defeat the peace treaty.

This action was taken by the senator last Thursday at the request of Premier Hara, according to cable advices received here today from Tokyo. It followed the recent violent scenes in parliament over the suffrage question.

MRS. ANGELOU IS GRANTED DIVORCE FROM PROFESSOR

Beatrice Pernach Angelou, daughter of Count Cesario de Pernach, widely-known Hungarian artist, has been granted a divorce by Judge Craft at Los Angeles from Talamah Angelou, formerly a professor of languages in the University of California.

Alleging that her husband forced her by threats and intimidation to marry him, Mrs. Angelou filed suit for annulment in Los Angeles October 18, 1919. "October 12, 1918, he obtained a marriage license and she obtained a domestic question proposal which Kellogg said would amount to amending the treaty," is quoted as his desire to bring about its re-reading.

Taking up the Adriatic controversy, Kellogg said that "it is not very encouraging as to the way the peace treaty will work out."

Quoting from President Wilson's Adriatic note of February 21, Kellogg emphasized the statement with regard to the self-determination of the people of the Adriatic.

He declared this rule was not applied to the Saar valley, Shantung and other territorial settlements made in the peace treaty.

Democratic leaders in the Senate are counting on a split in the Republican party to bring about ratification of the peace treaty this summer. It was learned today. These Democrats think the Republicans will divide on the question of ratifying the treaty.

Wilson's note in the campaign, and that G. O. P. leaders will hasten to secure compromise ratification to remove the causes of the split.

MONTEBELLO, Feb. 28.—"If President Wilson desires it is in his power to make the Adriatic negotiations fruitful of settlement, but no candid person can forget the doubt inspired by the President's first note as whether he really wants this settlement," said the Chronicle today in its comment upon President Wilson's note of February 24.

The Times declared that the President's note is "not very agreeable reading to the allies."

Some of the newspapers commenting on the whole series of notes of President Wilson took the view that the pretenders "have now backed out from their fake position."

ACTION IN FIUME FIGHT EXPLAINED BY ALLIES

By ED L. KEEN, United Press Staff Correspondent.

EDINBURGH, Feb. 28.—The Franco-British pretenders never intended to act jointly in the Adriatic dispute but, instead, to let the other side first consult the United States, they assert in their reply to President Wilson's latest communication.

The reply, dated February 25, agrees with Wilson that any settlement mutually agreeable to Italy and Jugo-Slavia would be the ideal result.

Both sides are agreed that the Adriatic negotiations will be conducted by the United States.

The Times declared that the President's note is "not very agreeable reading to the allies."

Some of the newspapers commenting on the whole series of notes of President Wilson took the view that the pretenders "have now backed out from their fake position."

J. G. ROHAN ASKS F. H. PROCTOR FOR \$500,540 IN SUIT

James G. Rohan filed suit in the Superior court today for \$500,540 damages against Frank H. Proctor, owner of property at Seventeenth and Broadway. Rohan charges breach of contract. He says Proctor and he arranged a lease on the crust of a large pie, set in the center of the table, and posed, creating a sensation even among the artist folk. Rohan painted her as a woman.

The defense was granted a motion for a preliminary injunction.

BABE COMES TO FAMILY LEFT IN DESTITUTION

A baby, a lusty, bouncing boy, has been added to the little flock of five, the eldest of whom is 14, to whom Mrs. C. J. Lamphier, now deceased, was not bequeathed by her husband, a civil engineer.

The present consul at Manzanillo, in reporting the killing to the state department, said: "Morrill was obtained a marriage license and she obtained a divorce.

Alleging that her husband forced her by threats and intimidation to marry him, Mrs. Angelou filed suit for annulment in Los Angeles October 18, 1919. 'CLEAN UP' IS EMERYVILLE CLUB'S PLAN

EMERYVILLE, Feb. 28.—The political pot is boiling here, with the Emeryville Taxpayers' Club in the lead with the announced purpose of "cleaning up the town" and putting in a ticket against Trustees Fred J. Stoer and J. L. Clark when they run for re-election at the municipal election April 12.

The club is also circulating petitions addressed to the board of trustees which, according to John Gelder, president of the club, have 100 signatures and which demand the ousting from office of S. R. Hawley, town engineer; John H. Hemphill, superintendent of streets.

It was through Hawley and Hemphill that the club is charged with the

issuance of \$28,000 for resurfacing certain streets and charged it to the property owners along the street resurfaced, when, it is the club's contention, the work should have been charged to the city budget and paid for by the club.

Mr. Hawley, the property owners pay for the work the factories and their interests of the town who profit most by the good condition of the streets were freed from their burden of the cost of the work, Gelder charges.

POOR WORK CHARGED

That the work was not done according to specification and will have to be redone, Gelder says.

John Gelder, president of the club, is also charged by Gelder. He charges that the work was approved by Hawley and Hemphill in spite of the fact that A. H. Kopperud, the street contractor, had not fulfilled his part of the contract.

The work done was not new construction, but was resurfacing work on streets already paved. Hawley claims that it was necessary to do the work to save the streets.

Gelder says that all of it did not need to be done at once, that some could have been postponed and that the work could have been paid for out of the general taxes.

The complaint which is made against the town board of trustees by the newly formed Taxpayers' Club is that they released their protest of citizens to the proposed street work. Hawley, in answer, says that the proposed street work was advertised in the legal manner, that a date for protests was legally set and no protests were made. It was not until two weeks after this date that any protest was received.

Finally a meeting was arranged for December 28, as minutes of the Emeryville board show. No record of such a meeting being taken place in the minutes.

December 29, Gelder says, was one of the times that the trustees refused to meet in order to avoid the clamor of citizens' protests.

CLAIMS PROTESTS LACKING

Another date for protests was set for January 12, and at this time the minutes show, no protestants were present. Hawley says that the protestants, as the city agent, made claims of the change of hearing date to all who had protested amply in advance of this date.

Emeryville's tax rate is .55 on the hundred and the tax assessed valuation of real and personal property is \$3,889,350, so the total tax collected this year were \$23,000. To

be paid the \$28,000 for street work by general taxation is the trustees' defense. Gelder accepts on this point that the factories and large landholders in the city pay two-thirds of the taxes, that they are the ones who derive most benefit from the streets and that they would, under the taxpayers' plan, bear the greater part of the street maintenance expense.

The candidates proposed for the two vacancies on the board of trustees of the Taxpayers' Club are J. H. W. Juniper, 1913½ Forty-seventh Street.

An executive meeting of the Taxpayers' Club will be held Sunday afternoon at the Regnier home to plan and to saw planks for the campaign ahead.

MEETING IS CALLED

A meeting of the Emeryville Taxpayers' Club is to be held at the home of L. S. Regnier, 553 Vallejo street, Sunday afternoon, at which grievances of the people will be aired and "takings points" for the campaign phrased in detail.

George G. Quinn, Max Bedacht, former editor of the German paper "Vorwärts," M. C. McLaughlin, chairman of the Taxpayers' Club, and L. H. W. Juniper, 1913½ Forty-seventh Street.

Berkeley to Greet 2000 C. E. Members

Eisteddfod Held by Welsh Proves Great Success

MRS. R. D. PARRY.

Presbyterian Congregation is Voted Thanks As Head of Celebration.

The Christian Endeavor, societe of the First Presbyterian Church of Berkeley are ready to serve as host to the First Annual Alameda County Christian Endeavor Convention to be held the next week end, March 5, 6, and 7. President Oliver McLean and executive committee, together with the local committee, are working a great deal to store, the speakers who day may be very fortunate in finding each one who is a messenger and knows how to speak to young people in the way that they understand and appreciate. This promises to be Alameda's greatest young's convention, simple, but in every way, and attendance. The theme will be "Crucified with Christ." Galatians 2:20. The salutation during the convention will be "Galatians," each holding up a sign with the same sign.

The first session will be opened Friday evening with devotionals led by Rev. W. C. Gifford, and the opening address will be given by Dr. H. A. Van Winkle, pastor of the First Christian Church, Oakland. The second session will be Saturday morning, and the third the following Sunday on Saturday evening. Those wishing reservations are asked to send 50 cents per plate to the First Presbyterian Church of Berkeley, 14th and Franklin, Berkeley. Reservations will be made only for cash payment as the space is limited. The fellowship supper will be one of the most popular features of the convention, for Mr. Laughrin, field secretary for the United Society, will be the speaker at the Saturday evening meeting. Sunday morning will be observed in attending the church services of the denomination preferred. Conferences will be held on Sunday afternoon from 2 to 5. Strong leaders in the various groups in the Alameda and the Bible study groups from 5 to 7. These groups will be for intermediate, young people and Juniors.

The Brown, an old C. E. enthusiast, will attend, and also several state officers, to add their help and inspiration toward the success of the convention. One of the leaders features is to be the elimination of the pledge-raising session, which has always been held. The "flying squad" has been visiting the different societies to interest them in the campaign. It is composed of nine quartets, followed by President McLean with a talk on the features of the convention. The "squadron" has been well received, and has been invited wherever they have been.

PENTENTIAL PRESBYTERIAN.

The Centennial Presbyterian church announces the following services for the week beginning February 29. Sunday school at 9:45 a. m. Sunday morning, 10:30 a. m. Morning subject: "A Man of Destiny" (Gen. 45:8). This sermon will close the study of the book of Genesis, and will attempt to point out what the book is all about, and how it was realized in the history of those early days, the whole thing culminating in the character of Joseph. There is a message here for both men and nations, declares the pastor.

On the subject, "Life Set on Fire," Lost in Mind" (Eph. 4:17), has been given. "We can make no progress in life or in fact, Jesus gives us the rule for true success. Do we dare to believe him, and obey? This in the question that will be presented in the sermon. Services at 10:30 a. m. usual hours. Prayer meeting Wednesday evening at 7:45 (Study 2 Kings 1 and 2).

ST. PAUL'S EPISCOPAL.

Last Sunday moving pictures of the congregation leaving St. Paul's Episcopal church in Bayview and Montclair were shown in the church. This shows that week beginning tomorrow in the TRIBUNE-T. & D. News Week, is to be a series of pictures in various churches in Oakland. This film has excited a great deal of comment and interest.

LATTER DAY SAINTS

MAN IS ETERNAL

Successive Stages of Existence

By DR. JAMES E. TALMAGE

Of the Council of the Twelve, Church of Jesus Christ of Latter-Day

Saints; Salt Lake City, Utah.

Note: For free copies of other articles of this series, send request to the author.

There are four states, conditions, or stages in the advancement of the individual soul, specific in Sacred Writ. These are (1) the unbodied, (2) the embodied; (3) the disembodied, and (4) the resurrected state.

In other words, (1) every one of us lived in an antemortal existence as an individual spirit; (2) we are now in the advanced or mortal stage of progress; (3) we shall live in a disembodied state after death, which is but a separation of spirit and body; (4) and in due time each of us, whether righteous or sinful, shall be resurrected from the dead with spirit and body reunited and never again to be separated.

As to the certainty of the antemortal state, commonly spoken of as pre-existence, the Scriptures are explicit. Our Lord Jesus Christ repeatedly asserted that He had lived before He was born in flesh (see John 6:42; 6:54; 14:28; 17:5), and as with Him so with the spirits of all who have become or yet shall become mortal.

We were severally brought into being, as spirits, in that pre-existent condition. Literally the old adage, "The Supreme Being whom we Christ worshiped and addressed as Father" does not hold. The Eternal Father is "the God of the spirits of all flesh" (Num. 16:23; 27:18), and more especially that He is "the Father of spirits" (Heb. 12:9). In the light of these Scriptures it is plainly true that the spirits of mankind were then begotten and born into what we call the pre-existent or antemortal condition.

The pre-existent spirit born is expressively described in Abraham, in whom the facts were revealed, as a process of organization and the spirits so advanced are designated as intelligences: "Now the Lord has shown unto me, Abraham, the intelligences that were organized before the world was; and among all these there were many of the noble and great ones" (Pearl of Great Price, p. 65).

The human mind finds difficulty in apprehending the actuality of infinite or eternal process, either from the present onward to and beyond what we call in a relative sense perfection, on, on, without end; or backward through preceding stages that had no beginning. But who will affirm that things beyond human comprehension cannot be?

In the antemortal eternities we developed with individual differences and varied capacities. So far as we can peer into the past by the aid of revealed light we see that there was always gradation of intelligence, and consequently of ability, among the spirits, precisely as such differences exist amongst us mortals.

"That all men are created equal" is true in the sense in which that telling epigram was written into the scriptures of the Nation and of infinite truth; for such have merely the right to life, to protection of individual rights on a basis of equality and no discrimination of persons. But if applied so meaning that all men are born with equal capacities, or even inherent abilities in like measure for each, the aphorism becomes absurd and manifestly false.

Every spirit born in the flesh is an individual character, and brings to the body prepared for its tenancy a nature all its own. The tendencies, likes and dislikes, in short the whole disposition of the spirit may be intensified or changed by the course of mortal life, and the spirit may advance or retrograde while allied with its mortal tabernacle. Students of the so-called science with a newly coined name, Eugenics, are prone to emphasize the facts of heredity to the exclusion of pre-existent traits and attributes of the individual spirit as factors in the determination of character.

The spirit lived as an organized intelligence before it became the embodied child of human parents; and its pre-existent individualism will be of effect in its period of earth life. Even though the manifestations of primeval personality will be largely smothered under the tendencies due to bodily and prenatal influence, it is there and makes its mark. This is in analogy with the recognized laws of physical operation—ever force acting upon a body produces a definite effect whether it acts alone or with other and even opposing forces.

The spirit, once born, soon lies back in the eternally past, beyond the horizon of our full comprehension, and what we call a beginning is as truly a consummation and an ending, just as mortal birth is at once the commencement of earth life and the termination of the stage of antemortal existence.

The facts are thus set forth in the revealed word of God:

"There be two spirits, and one shall be more intelligent than the other; set these two spirits, notwithstanding one is more intelligent than the other, have no beginning; they existed before; they shall have no end; they shall exist after, for they are gnathum, or eternal." (Pearl of Great Price, p. 65).

Every stage of development, as to every human life, there is beginning and end; but each stage is a definite fraction of eternal process, which is without beginning or end. Man is of eternal nature and of Divine lineage.

MISS WHITNEY APPEAL FOR TRIAL FILED

Worker in Caucasus Returns;
Woman Has Plea for Armenia

BERKELEY, Feb. 28.—In broken health as a result of a year spent in the Caucasus, where she ministered to the wants of hundreds of Armenian refugees, Miss Margaret Cooley, well-known Berkeley hotel worker and club woman, has returned to the college city to deliver to the women of that community a plea from their sisters overseas.

Appearing before the members of the Progressive Council of the American Civic League at a meeting held yesterday afternoon in City Hall, Miss Cooley made her first public address since returning from the Near East.

"Every day in Erivan fifty people are now dying from lack of food," she declared in relating the fact that Dr. Elsie Mitchell, another Berkeley hotel worker, is on her deathbed after being seriously ill and that Mrs. Clara Williams, also of Berkeley, may be forced to discontinue her activities for the same reason.

GIRLS' PLIGHT WORST

"After seeing what I have seen I wonder if America would stand so much for the protection of a religion as has Armenia," she said. "I wonder that there is a same person left in Armenia today."

"There are \$90,000 girls still in Turkish harems crying to their sisters in America to rescue them," Miss Cooley told the audience. These girls, she stated, were sold to us small sums as \$6 cents and \$1 each. One Armenian doctor, she said, spent thousands of dollars buying girls their freedom from the Turks. Miss Cooley told of seeing girls rescued from harems with tattoo marks covering their faces.

"The girls may be rescued but it is necessary to find them food and shelter," she continued. "They must be cared for."

Stationed at Baku, in charge of an orphanage caring for 200 children, Miss Cooley told of the suffering not only of little children but of their mothers and fathers as well, many of them clad in tatters and with nothing but grass for food. She said she saw many who had been brought in with distorted abdomens, sunken eyes and hollow cheeks as a result of a diet of grass alone, with no other food for weeks at a time.

"There are 250,000 children in Armenia who will starve this winter unless America helps them. There are 600,000 other Christians in the Turkish empire who will meet the same fate."

Police Investigation Disclosed the Fact This Morning that Baker has a Long Police Record and that he has Served Time in San Quentin. He was Arrested by Burns Operatives and Will probably be brought to Oakland Today to carry out the illusion of the Arabian Lamp."

As an echo from colorful Egypt will rise on the stage a tented cabaret mystified by the name "Sahara Crawl." Here Miss Anita Avilla, a girl student, will wield power as regaling beauty, with a bevy of attractive men about her, in Oriental dances.

Other features are also promised to include the first use of the most modern equipment on the campus. General dancing will be the order of the evening. The fete is managed each year solely by the women students, with mere man an admiring spectator. The funds raised go to activities of the women students.

Berkeley Artists Win Poster Contests

First and second prizes in a state-wide poster contest conducted by the White Motor Truck Company were won by two Berkeley girls, Suzanne Schenck, 2417 La Costa avenue, was given the \$250 award and Noble Hecht, 1123 Arch street, the \$150 one. The third prize, \$75, went to Nata Levy, 622½ Oak street, San Francisco.

111 Westwood, 416 Thirteenth avenue, was among five who received honorable mention. The judges took into consideration the merit and possible advertising value of the posters.

Neptune gets only a thousand as much light and heat from the sun as does the earth.

The plane tree is the largest evergreen tree of the United States.

"Aladdin's Lamp" Will Be Inspiration of Fete at the Harmon Gymnasium.

BERKELEY, Feb. 28.—"Aladdin's Lamp" will bring forth new wonders with their lamps of magic for University of California women students at the annual fete of the Princeton Home Society.

This year the college girls have chosen an Oriental setting for the yearly festival to be held in Harmon gymnasium on March 27. Within the portals of "Aladdin's Lamp," a colorful miniature theater, they will become magicians, dusky Oriental dancing girls and seers for the evening. The entrance to the theater is planned as a huge Oriental arch, and other decorations will carry out the illusion of the Arabian

lamps.

The statement of the company, as submitted to the new industries committee, sets forth that sixty-four distributing centers are in operation in the country, mostly in the middle west and the central states. Dis-

tributing Spokan, both of which will be under the Oakland house.

The statement also says that 20,000 merchants are served by the corporation and that the business for 1919 totaled \$130,000,000.

Outside of Oakland the first distributing branch will be established by Grant in Sacramento, and this will be followed by another at Los Angeles. Others will be located at such centers as Fresno, Bakersfield and Stockton.

Inquest is Called Into Wm. Abt Death

ALAMEDA, Feb. 28.—An inquest will be held next Tuesday to inquire into the death of William Abt, United States navy inspector, who was asphyxiated yesterday in a balloon tank of a submarine at the Alameda Bethlehem plant. The funeral of Abt will be held Monday from St. Joseph's church.

Old Resident of Alameda Buried

ALAMEDA, Feb. 28.—Daniel Donovan, California pioneer, who died at his home, 2232 San Jose, Thursday, was laid to rest today. Funeral services were held in St. Joseph's church. He was a native of Ireland.

Donovan was 75 years old; he had been failing steadily for eight years. The widow, Mrs. Mary Donovan, and seven children survive. They are: John, Mrs. Nellie and Junior Donovan, Mrs. Charles W. Combs and Mrs. Myron B. Becker.

Alameda Police to Receive New Auto

ALAMEDA, Feb. 28.—The police department has a new auto, a 1920 six of popular make. The old four cylinder machine was traded in for about half the price of the new machine. The police touring car piles up big mileage in a short time as it runs more or less each day and is used almost steadily at night in patrolling outlying sections of the city. With frequent changes of drivers, the wear and tear is something more than average.

JUDGE RAPS ATTORNEY IN WIELER CASE

AFTERNOON TEA IS INAUGURATED BY FRATERNITY

BERKELEY, Feb. 28.—Fraternity men in the University of California are speculating as to the outcome of an "at home" day held by members of the Phi Gamma Delta fraternity yesterday and its attendant results upon college traditions. For the first time in the history of the university, members of one of the men's organizations announced that they would have a "tea" to which members of other campus organizations were invited.

In the past, such functions have been the exclusive province of the women's clubs and sororities. Tea parties are regularly placed on the college calendar each year, but when the men attempt such an affair the college is at a loss for direction. Most of the students invited attended out of pure curiosity, others accepted the afternoon entertainment as a part of ordinary happenings. The remaining fraternities are watching to see if the precedent set by the Phi Gamma Delta members will be followed by others and if the "fraternity tea" has come to stay in Berkeley.

Homer is said to have died of chagrin because he could not solve a riddle.

After Judge James G. Quinn had directed a jury to begin the task of selecting a jury in the case of John G. Wieler out of the hands of attorneys for the defense and of the state, the task of selecting the twelve was so expedited that the box was but two short of being full when court adjourned this noon. The case is to be resumed on Monday morning at 9:30 when jurors Tom Lawler and W. M. Ward will be examined.

Afternoon classes were given by Captain Walter J. Petrie, and that will be on naturalization day.

Wieler is charged on five counts for criminal syndication, one for conspiracy and one in an information. Questioning of jurors has brought out the fact that handwriting experts will be used on both sides and that the threatening letter asked to be relieved.

PAIR SOUGHT ACCUSED AS KIDNAPERS

BERKELEY, Feb. 28.—Charged

with kidnapping Virginia Fleming from her legal guardian, Mr. and Mrs. Neil Pederson are being sought in Berkeley today in behalf of the Bakerville authorities.

Mrs. Pederson, who is the mother of the Fleming child, lost the custody of the little girl in obtaining a divorce from John Fleming, rancher at Fowler, near Bakerville. When the wife stole the child from his home and with her second husband declared to have sped north in an automobile. The couple is supposedly in hiding in Berkeley under assumed names. Mrs. Pederson's father, F. L. McCloud, is believed to have left with the alleged kidnapping party.

The fugitives were last seen on February 17, according to Sheriff Newell of Bakerville, who holds felony warrants for the arrest of the two Pedersons.

ALAMEDA SEXTETTE SINGS.

ALAMEDA, Feb. 28.—An Alameda girl sextette, composed of the Misses Norma Hodges, Isabel Snyder, Thelma Berg, Alice Johnson, Margaret Hale and Grace Seabrook, sang last night before the Mills club in San Francisco, appearing under the direction of Mrs. Hazel Hunter, Alameda high school music head.

INSURGENT
HOUSEWIVES
TO ORGANIZE

A string of opposition Housewives' Leagues are to be organized in Oakland, Berkeley, San Francisco and throughout the bay region by the Housewives' League of California, of which Mrs. Edward F. Scanlon is president. This Housewives' League of California was repudiated yesterday by the San Francisco Housewives' League at a stormy session at which debate frequently developed into personalities and individual attacks.

The action of the Westbay organization followed the precedent of Oakland and Berkeley bodies, but resulted in even a more drastic measure when it was declared by resolution that it did not recognize any State Housewives' League or any of the local units, and that no members of the San Francisco League were members of any State Housewives' League whatsoever. Mrs. Scanlon was elected from the San Francisco body.

"The State Federation will go on as though this San Francisco meeting had not taken place," declared Mrs. Scanlon last night.

State officers from Oakland, including Mrs. H. J. Platts, Mrs. E. L. Hubbard, Mrs. A. T. Kauas, Mrs. F. E. Dill, and Mrs. W. T. Cleverdon, who has been appointed State organizer under the disputed State body, asserted this morning that the coming week will see new housewives' leagues, whose purpose is to fight the high cost of living, will be organized in Oakland and Alameda.

TO SPEED CAMPAIGN

The campaign to establish auxiliaries to the State body will be speedily carried out to the east end of the county, including San Leandro and Hayward, and in Berkeley, which they designate as their main battle-ground against the organization. Also Grace Wilson, president of the Richmond league, which with the Alameda league endorsed the California organization, has pledged to organize Contra Costa county in the interests of the State organization. The call for the organization of the new Oakland branch will be issued immediately. Delegates from the Oakland league organized last November by Mrs. W. T. Cleverdon, who withdrew from the convention called in Oakland City Hall to form a State body. The members refused ratification to the California organization last Monday.

In the heated controversy yesterday at which San Francisco women recorded their protest against the body of which Mrs. Scanlon is president, calls for "Oakland" were made with the demand for information into many phases of the debated question.

MILK CHARGE MADE

"If the truth of the activities of the milk committee were known, it would be embarrassing to the chairman of the Housewives' League," Miss Bertha Rickoff of Berkeley, a member of the San Francisco body, charged. Mrs. Robert E. Dean, president, "I assert that the milk committee of the San Francisco Housewives' League does not care to meet the representatives of the Milk Producers' Association," concluded the East Bay woman, who added that she was "proud to be associated with" the latter body. Proclaiming that she could offer proof, members demanded an explanation. Miss Rickoff refused to offer proof. In the

Merriest of affairs in the busy year's calendar at Mills College, the Kermess, will soon burst upon the woodsy campus. The girl students there are improvising dances, scenes, costumes, the thousand and one things that will help make the Kermess of this year as fine as ever. The upper picture shows one of the group dances. Below is a dance figure in which MISS MURIEL PETERSON, a Honolulu young woman registered at the college, is taking the solo part.

WINE GRAPE
AS RAISINS
FOUND GOODS.F. Girl Recovering
From Fight With Man

SAN FRANCISCO, Feb. 28.—Thousands of acres of California wine grapes whose value was mourned as lost as a result of the coming of prohibition will not become white elephants on the hands of their owners.

This much was decreed today at a conference of a half hundred or more wine grape growers from various parts of the state held at the University of California under the auspices of the department of viticulture. Meeting with the vineyardists at the invitation of the university were manufacturers of grape products.

Most important of all to the owners of vineyards were the announcements of experiments made by the state University under the direction of Professor W. V. Cruess of the department of viticulture. Red grapes heretofore recognized as of value only in the making of wines were shown to the assembled growers today in the form of dried and seeded raisins of bright scarlet hue, syrup and jubes.

The red grape raisin as expected by his professor, Cruess, was declared good for cooking, including with it a slightly red color to whatever food in which it was used. The success of this raisin Professor Cruess declared was not yet determined but that a limited supply of grapes might be used in this way he believed certain.

Manufacture of grape juices and syrups were held as eminently successful ways for utilizing the former cast-offs. Oliver A. Newell, manager of a large vineyard association at Lodi, which during the "wet" days manufactured more than 2,000,000 gallons of wine per year, told of how his concern was now turning out 100,000 gallons of grape syrup instead. M. K. Serafan, Armenian inventor of a grape syrup which retains its flavor and color and who has gained prominence in the vineyards of his special product, was also present.

Present at today's conference held in Hilgard Hall, were vineyardists from the San Joaquin and Santa Clara Valleys and from other parts of the state. The meeting was arranged by the university's department of viticulture as means of aiding the wine grape grower of the state to meet prohibition regulations.

Newark, N. J.—The doctor said I had an organic trouble and treated me for several weeks. At times I could not walk at all and suffered with my back and limbs so I often lay in bed. I suffered off and on for eight years. Finally I heard that Lydia E. Pinkham's Vegetable Compound was a good medicine and tried it with splendid effect. I can now do my housework and my washing. I have recommended your Vegetable Compound to your Blood Medicine and three of my friends are taking them to advantage. You can use my name for a testimonial. —Mrs. THOMAS COVENTRY, 20 Burnett St., Newark, N. J.
